

The **Poppy** kit is designed for areas under 300 - 499 sq. ft., spaces such as entrance ways, courtyards, small garden areas, etc. The kit includes a printed design, detailed preparation instructions and live plants. Once you receive our confirmation email you will need to schedule your pick-up date with Tree of Life Nursery. We recommend that you coordinate your plants to arrive after you've completed the initial preparation work in your yard.

The Poppy Kit Includes 56x 1 gallon plants that will consist of 7 different varieties specially picked for your local area. 2x 5 gallon plants as focal points in your design. Groundcovers will arrive in either flats or as 1 gallon plants

Terms & Conditions By purchasing the My Avant Garden Poppy kit, you agree to our terms & conditions. Please click [here](#) to read our terms & conditions policy.

Delivery Options Pick-up (no charge - included in price): You can pick-up your plants at tree of Life Nursery located at 33201 Ortega Highway, San Juan Capistrano, CA 92675. www.californianativeplants.com

Delivery (fee not included) Tree of Life Nursery offers delivery depending on your area. If you are interested in having your conversion kit delivered please call (949) 728-0685 for available delivery schedule and fees.

Turf Removal Installation begins with "bare dirt", so lawn must be removed prior to MAG installation. Installation & lawn removal services are available in Southern Orange County only. To schedule lawn removal or installation please call or email us at info@myavantgarden.com.

Plant Variety The native plant varieties you will receive will be determined by where you live, the time of the year and plant availability. My Avant Garden kits are designed for 3 local microclimates:

Coastal Kit (1 to 5 miles inland from the ocean, with an ocean influenced climate) **Intermediate Kit** (6 to 10 miles inland from the ocean) **Inland Kit** (11+ miles inland from the ocean, with a more arid climate)

Items you will need to buy to complete installation (not included in price): Compost, mulch and irrigation retrofit* supplies (*if using). Please refer to your design plan for the recommended quantity of organic compost and mulch.

30min. consultation (included in price): Your kit includes a 30 min over the phone consultation and in-person consultation at Tree of Life Nursery. Please email your name, phone number, best time to reach you and any questions to info@myavantgarden.com.

California Native Plant Workshops If you are interested in learning more about California Native plants, Tree of Life nursery offers educational workshops. For more information please visit www.californianativeplants.com and click on "Events Calendar" located on the left side of the home page.

Payments All payments will be received directly by Tree of Life Nursery via PayPal. Delivery fees are not included for more information please refer to the delivery section above.

Taxable Items All California native plants provided in the kit are taxable. The total kit price includes all applicable sales tax.

Non-taxable items Design concept fees are also included in the total kit price and are non-taxable.

Order confirmation Once you purchase your kit, you will receive a sales order confirmation to the email address you provided at checkout. You can also verify your payment to Tree of Life Nursery by signing into your PayPal account directly.
